

# PORTABLE LADIES' TOILET

Planner about the  
Innovative product,  
November 2008

# Background on the Target

- During the outbound activity, cross country or Hiking, Toileting is the most disturbance for ladies. A lot of time was spent and wasted to find the proper place for toileting.
- This product will be very useful for anybody who love nature, but hesitate to participate in such activity due to the toileting challenge.
